

Jackson Township Strategic Plan

PLAN.

- **Issue/Group/Organization Name:** Jackson Township
- **Description of the Issue/Group/Organization.** Provide assistance to township residents
- **Stakeholder Community (See attached)**
- **Vision.** *Return residents in need to a stable standard of living.*
- **Mission.** *Administer township assets. Provide assistance to qualified residents that can include food, shelter, medical, utilities and other necessities.*
- **Values.**
 - *Courage. Helping people that are in tough situations*
 - *Commitment – Whatever it takes*
 - *Compassion – Having respect and empathy for individual circumstances*
 - *Accountable – Financially and morally*
 - *Flexible – every township and situation is unique – find what works.*
- **Assessment – Strengths, Weaknesses, Opportunities, Threats (SWOT) – See attached**
- **Goals, Objectives, Plan of Action and Milestones (POAM).**

Township Goals – 2020 - 2022

1. Volunteer Fire Departments - Fruitdale and Jackson Township #5

Sustain current operations;

Add a bay to each station

2. **Cemeteries** – Sustain current efforts.

3. **Property Management.** Support the county Redevelopment Commission (RDC) initiative in providing education , financial assistance (when available) and training opportunities for residents on the topic of property management and maintenance. (Habitat for Humanity may be a key partner in support of this

goal).

4. Food Pantry Access. Help assess the support for a mobile pantry (food truck) and or at fixed locations in the area.

5. Homeless Shelter Options. Work with the Women’s Shelter to increase the number of shelter options for men and families.

2. **DO** – Develop and Execute the Plan of Action and Milestones
